

5 CEUs will be granted for attendance

# Healthcare SPRINKLER SEMINAR

**June 17, 2026**

at Hospital of the  
University of Pennsylvania

Medical Alumni Hall  
8:15AM-3:00PM

Breakfast and Lunch will  
be provided

*This interactive seminar provides an overview of maintaining water-based fire protection systems in accordance with NFPA 25. It covers key compliance responsibilities, record-keeping practices, and how to navigate common challenges.*

*We will also review The Joint Commission requirements and how they relate to fire protection system compliance*

## THE SPEAKERS

**VINCENT POWERS**  
I.T.M Specialist

**LOGAN LANDIS**  
Regulatory  
Compliance Manager
